# Transformation or Disruption: Changing the Focus and Pace of Change in Healthcare Delivery

Thursday, March 28, 2019

Four Points Sheraton Hotel  
1125 Boston Providence Turnpike, Norwood, MA 02062

You will learn new approaches to health care delivery and payment, the impact of new technologies, the needs of the aging population, and whether traditional forms of service delivery can meet the demands from patients, payers, business, and government.

At this seminar participants will:

- ▶ Listen to updates on healthcare reform and legislative activities from Capitol Hill;
- ▶ Learn about new trends in caring for patients using technology, group visits, and value based purchasing; and
- ▶ Find out how Medicaid ACOs are changing the way payers and providers work together to improve care and lower costs.
